To: Moss Creek Marines  
Subj: LETTER OF APPRECIATION

1. On behalf of the Marines of Air Traffic Control Detachment Alpha, Al Taquaddum Iraq, I would like to extend my deepest gratitude for the gifts that your Marines provided their fellow Marines on 23 June 2008. The games, food, and other articles they provided were not only welcomed but greatly appreciated by all. You can know that your generosity was not only significant to our troop welfare but a piece of home that provided a morale boost.

2. Your thoughtfulness and support for your fellow Marines is truly a motivating quality that every Marine in my Detachment deeply respects. Your Organization has given us all a great sense of pride knowing how much we mean to you and this has lifted our spirits to an all new level.

3. I would personally like to thank each and every Moss Creek Marine for their thoughtfulness and patriotism. Semper Fidelis!

B. J. KILEY
