Good evening Fred,

I apologize for my delay in replying we have been in river city for the past several weeks. The boxes did arrive and every Marine was extremely grateful for the items received. We have been taking pictures of the boxing matches and some of the volleyball games and as soon as I am able to upload then you will be the first one to receive the pictures. Again everyone from VMM-261 Raging Bulls thanks you and the Moss Creek Marines for everything.

Sean--

Yesterday--the Moss Creek Marines mailed 19 boxes of goodies for the Marines in VMM-261--These boxes are all addressed to you--

We would appreciate it if you could take a few pictures of Marines opening the boxes and send them to us for our unit scrapbook--If there is anything else that we might provide to the Marines of VMM-261-- please let us know--

Mr. Will

We would not have any use for X-Box we have no t.v's on station but thank you. I have gone around asking the Marines around our squadron about what they would

like to see out here and the general consensus is any type of recreation equipment. For example we have golf clubs with no golf balls. Another request was volleyball or boxing equipment, things of that nature. As far as any food items are concerned anything from the states is a welcome treat. I will be the coordinator for the Unit and the address is ,

VMM-261

Unit 77051

Sean--

Can you give me a few ideas? Do you have need for an X-Box 360 system and some games--? Telephone cards? Pogie bait--beef jerky--toothbrushes/toothpaste--Gatorade--cheese and crackers?

Would 1 x-box 360 system be enough? What kind of games do you want?

Our last unit--we sent boxing equipment--along with a bunch of other stuff--

Please let me know what you need and where to send it? Who is going to coordinate for your unit--You?
