Dear Mr. Roger Garreau

SUBJECT: CARE PACKAGES

I wanted to express my extreme gratitude for the care packages my Marine's received from your organization while forward deployed to Afghanistan in support of the Global War on Terrorism. While being forward deployed for such long periods of time, it can become very cumbersome for young Marines to maintain optimal performance for the length of the deployment. Care packages, such as yours, immediately spark the morale of all the Marines and provides them a small piece of home to reflect upon while in theatre. This simple act of "care," reminds them that they are not alone or forgotten while they accomplish this very difficult mission.

If it were not for good, caring and concerned citizens such as yourself, our efforts would seem in vain. These acts of kindness reflect the light of our nation and in turn bring smiles to our Marines faces.

On behalf of the young men and women serving in the United States Marine Corps, I would like to personally thank you for your thoughtfulness, hard work and patriotism. Your care packages have been received with open arms. Please let the volunteers of your exceptional organization know that the Marines of 2d Air Naval Gunfire Liaison Company hope to honor their hard work by representing our great Nation thousands of miles away from home.

Semper Fidelis,

Larry G. Watson  
Sergeant Major  
U. S. Marine Corps

Mr. Garreau,

Good morning sir, I will most definitely send some picture's of the Marines from Task Force Helmand (TFH) And Task Force Leatherneck (TFLNK) for your scrap book.

I want to thank each and every one of your donors who is supporting our troops abroad. Please convey the message to them that the Marines from 2d ANGLICO Co appreciate everything that they do for our service members that are deployed to Afghanistan and throughout our nation. Mr. Garreau, on the tennis equipment the MARINES would love to have (2) Complete set sir. That will definitely be a morale booster for them. The Marines who base at the most austere locations will enjoy the tennis equipment the most I think sir. Please send them our gratitude, and thank all them for supporting our Marines. The Marines said thank very much sir, and they appreciate the support from you, and the Moss Creek Marines Association. Also I want to thank the U.S. Tennis Association for their support and donations.

I will be emailing you some photo's today for your scrap book sir. Mr. Garreau, can I get your mailing address and all of the personnel's in the CC line as well please. Once again thank you for your support, and god bless and Semper Fi,
