

MOSS CREEK MARINES OPERATION HELPING HEROES

**ADOPTED HERO NO. 6
Cpl. DAVID CRITCHLEY II
WITH YANCEY**

Moss Creek Marines,

Thank you so much for your recent donation of \$3,000 to my Pay It Forward Campaign. I am humbled and grateful by the generosity and good will of my brothers and sisters & their families in your organization. My family and I have had a rough road the past decade since my return from Iraq. The Service Dog foundation has given me hope in the form of a Golden Retriever named YANCEY. I have seen first hand the difference these specially trained Service Dogs make in their Veteran's lives and I have confidence that he will make a difference in mine. Thank you again for what you have done for me and for so many other American Heroes.

"Fair Winds and Following Seas"

Semper Fidelis,
David Critchley II & YANCEY
