Certification:	PND-MAD, MED-PSY
Bump Class:	February 2017
Seminar/ITT:	February 2017
Black Vest:	June 2017
Red Vest:	October 2017

Anthony served as a Sgt in the USMC. After 2 tours in Iraq, Anthony returned home a different man. He is 100% disabled, permanently and totally. Anthony is diagnosed with PTS, TBI, MDD, back, knee, and balance issues. Before CREEK Anthony was relying on his wife for everything.

Since having CREEK Anthony has found himself regaining a lot of independence. CREEK is able to provide balance and stability support and retrieve dropped items. Because of this renewed independence, Anthony finds himself less anxious when out in public places, and this has allowed him to repair his relationship with his wife.
