Helping With K9's For Warriors Service Dog

**ADOPTED HERO NO. 41
CAPT. ANURADHA WITH DUKE**

WARRIOR-CANINE STORIES: ANURADHA & DUKE

Anuradha spent five years in the Marine Corps as a Communications Officer, serving from 1999-2004. She was stationed in Quantico, Okinawa, and Camp Lejeune. She currently lives in New York City.

Very reserved with her military history, she says she needed a service dog to provide her with emotional support to handle daily situations.

Her service dog, Duke, was donated by a breeder from the American Kennel Club in honor of a Marine killed in action in Afghanistan in 2011. His name was Scott Harper, and he was only 21 years old.
