114 Camp K9 Road  
Ponte Vedra, FL 32081

Helping With K9's For Warriors Service Dog

**ADOPTED HERO NO. 45  
LCPL. TRAVIS WITH COOPER**

## **TRAVIS & COOPER**

Travis McCaffrey spent one tour of duty in the Marine Corps. He first assisted a recruiting station, and then went on to infantry school and heavy equipment engineer school. In 2011 he was deployed to Helmund province, Afghanistan, and then spent the rest of his enlistment at Camp Pendleton.

Travis found K9s For Warriors through his hometown VA clinic in Illinois. He said he wished for the program to help him reduce anxiety and stress, and to “better myself mentally.” He graduated in April 2019 with his Service Dog, Cooper. He says he hopes other veterans learn about this program to also receive help.

As of April 2019, K9s For Warriors has graduated 534 warrior-canine teams.
