Helping With K9's For Warriors Service Dog

**ADOPTED HERO NO. 49
LCPL. JARROD WITH TOM**

WARRIOR-CANINE TEAM: JARROD THOMPSON & TOM

Jarrold is a US Marine veteran from Alexandria, VA. He was discharged as a LCpl after six years of active duty service. His MOS was a Combat Media Photographer.

Jarrold first heard about K9s For Warriors at a Washington D.C. premier of our documentary *A New Leash on Life: The K9s For Warriors Story*. There, he met with one of the graduates featured in the film and spoke with him at length about K9s' program.

Jarrold became convinced about Service Dogs and said he wanted to apply to K9s For Warriors because: "I wanted to get back to being me. I want to get myself out of the house."

Jarrold came to K9s For Warriors in July 2019 and graduated with his Golden Retriever Service Dog named Tom. The two have returned home to continue their new life together.

As of July 2019, K9s For Warriors has graduated 558 warrior-canine teams.
