Helping With K9's For Warriors Service Dog

**ADOPTED HERO NO. 51
SGT. JEREMIAH WITH BOBBY**

WARRIOR-CANINE TEAM: JEREMIAH & BOBBY

Jeremiah Marcum is a US Marine veteran from Jacksonville, NC. He completed 11 years of service in the infantry.

Jeremiah first heard about K9s For Warriors with a quick internet search after feeling lost and feeling that he had tried everything else.

Jeremiah became convinced about Service Dogs and said he wanted to apply to K9s For Warriors because: "I wanted to come off my medications and be able to go to public places with my wife and three children"

Jeremiah came to K9s For Warriors in September 2019 and graduated with his Golden Retriever Service Dog named Bobby. The two have returned home to continue their new life together.

As of September 2019, K9s For Warriors has graduated 571 warrior-canine teams.
