**ADOPTED HERO NO. 56  
SGT. CHADRICK WITH LUKE**

## **WARRIOR-CANINE TEAM: CHADRICK & LUKE**

Chadrick Allen is a US Marine veteran from Arlington, TX. He served as a Marine for 11 years, from 2003 until 2014. His main responsibility was as a postal clerk. He served in California and was later deployed to Iraq, where he developed military-related PTSD, and later was deployed to Hawaii.

Chadrick prides himself on now being a family man with a wife and three children. His family was his biggest motivator when he decided to face his PTSD. He aspires, because of this program, to be a better father and husband. With the support he now has with Luke, his new battle buddy, he has been able to stop drinking, smoking, and has taken better steps to be the type of family man he wants to be.

*As of February 2020, K9s For Warriors has graduated 612 warrior-canine teams.*
